EXPERIENCE

Vaave

Product Engineer | Full-Time

Feb 2023 – Present

Hyderabad, Telangana

- Worked on **React Native**, **Redux**, **Javascript** and CSS for Mobile App development of the My Alumni Network app
- Contributed in redesign of app's Profile section, enabling easy updates to basic information.
- Contributed in app's new chat vertical **Spaces** using **CometChat SDK**.
- Developed Spaces features such as Delete message, Link preview, Banning group members and Blocking users.
- Developed **Helpdesk** for Direct communication between Alumni and Point of Contact(POC) of Education institutions.
- Migrated from Branch library to native **Deep linking** for Android.
- Implemented seamless **Over-The-Air(OTA)** updates through the **CodePush** Library, resulting in an 80-85% user transition to the latest app version.
- Developed Members Approval flow allowing administrators to review profiles and approve or decline requests.

Nagarro
